WELCOME

The meeting was officially opened at 7.00pm by Justin Hong.

Justin Hong (JH) called for nominations for the roles of **President and Vice President**.

Melanie (Mel) Saunders (MS) nominated for role **President**. Nomination accepted. Motion carried.

Maria Berne (MB) nominated for role of **Vice President**. Nomination accepted. Motion carried.

Cromer Campus 2019 P&C committee confirmed as:

President - Mel Saunders

Vice President - Marie Berne

Communications – Rob Feltscheer

Secretary – Pam Cook

Treasurer – Matt Soltau

Canteen – Des McLachlan

PRINCIPAL'S REPORT

JH advised the recent article published in *The Manly Daily* on Saturday 9th March regarding a sports centre being built on school property was incorrect. The article was premature, no negotiations had yet to be started, and he was personally misquoted.

TREASURER'S REPORT

The Cromer Campus canteen made a profit of \$5,000 for the P&C Association this month.

Costs for the BBQ held at the Cromer Campus Open Night on 12th February were \$350.

PRESIDENT'S REPORT

Thank you for electing me as **President**. I look forward to what we can achieve this year.

OTHER BUSINESS

NSW State Election Day BBQ

Jen Webster (JW) advised in previous years the P&C had created an online roster where they directed school community to volunteer, and the price for a sausage sandwich was \$2.50.

MB advised the Cromer Campus band committee would run a cake stall on the day, and the school band would also perform. MB advised she had negotiated sausage purchase price of \$6.50/kg, and onions \$6/bag, both through R&G Meats in Brookvale.

Viviane Souza (VS) advised she was able to purchase sausages through another vendor for \$4.50/kg, based on other community events she has been involved in. Pam Cook (PC) suggested that empty soft drink cans can be collected and taken to a local Return & Earn facility to generate more revenue for the school.

JH suggested both the P&C and band committees liaise with Des McLachlan (DM) to see how previous election day BBQs have run. JW would coordinate this with MB and DM.

Rob Feltsheer (RF) to post roster on P&C website. JH would coordinate an email to be sent to entire school community calling for volunteers, directing them to P&C online roster. JH also suggested using the school's electronic signboard to advertise voting booths and sausage sizzle and approaching a local coffee van to sell coffees on the day.

Sale prices agreed as - \$3 for a sausage sandwich. \$2 for can of soft drink. No "bundling" deals.
Cake stall items \$2 each.

Canteen

JW asked what with DM being involved in the running of the Cromer Campus canteen for recent years, now that he has retired from the P&C committee what would his future involvement be - forming a sub-committee, or continuing with the canteen operations role?

It has been decided to set up a Sub Committee for the Canteen considering DM's retirement from the P&C Association. The Sub Committee was discussed as having the following people involved, all in attendance were in agreement.

Canteen Manager – Lisa Portelli, Current Canteen Manager
Sub Committee Manager – Mel Saunders, P&C President
Sub Committee Financial Manager – Maria Berne, P&C Vice President.

P&C Calendar

MS asked if there is a P&C event calendar? JH advised he was not aware of one, and he was more than happy for her to create one.

Uniform Shop

MB asked if the uniform shop was run by the P&C. JH advised no, it is outsourced to Daylight Sportswear. JH suggested if the P&C is interested in running the uniform shop that may be something, they would like to consider for 2020 onwards, but current lease and agreement etc would need to be checked first.

Student Welfare

Viviane Souza (VS) raised the topic of student support for mental health awareness. She knows of parents at another Sydney high school who created an app to help students deal with anxiety.

JH advised Cromer Campus is proactively looking at the model Barrenjoey High School has in place, and student wellbeing is focus for our school.

Previous minutes Accepted and approved by JH.
